Experience

Product Manager

Pedal Patrol

- Led a cross-functional team, designing and developing an iOS / Android app for the local cycling community
- The app, Pedal Patrol, reunites cyclists with their stolen bikes through crowdsourcing
- Managed the team through the product lifecycle from ideation to delivery
- Worked actively with the client, Frontenac Cycle, through the process to align the product with their vision

Sept. 2018 – Apr. 2019

Kingston, ON

Content Strategist

QHacks 2019 (Hackathon at Queen's University)

- Developed and implemented marketing strategies for the largest event on campus after orientation week
- Led the voice and tone of the brand, writing copy for our website, dashboard, handbooks and ads
- Wrote feature articles and created a podcast profiling Queen's graduates in the tech industry
- Helped attract over 500 participants and major sponsors including Snapchat, Deloitte, and Y-Combinator

Apr. 2018 – Mar. 2019

Kingston, ON

Developer & Computer Science Research Associate

Orange Gate Consulting

- Researched and developed applications for robots in the service industry with a focus on voice interaction
- Created and demonstrated prototypes at local events and to C-suite client executives in financial services and the auto industry
- Designed wireframes, user flows, and scripts based on leading practices in visual and conversational UX
- Wrote documentation for user manuals, research presentations, and technical step-by-step guides

May 2018 – Dec. 2018

Toronto, ON

Product Ambassador, Growth

Grabb Mobile (Acquired by Foodora)

- Promoted a food-ordering application expanding into Kingston, Ontario
- Increased adoption and customer engagement through campus events, student groups, and social media
- Met with restaurant owners to discuss online ordering solutions for their locations

Sept. 2016 – Apr. 2017

Kingston, ON

Marketing Commissioner

Computing Students' Association

- Created promotional material for the School of Computing's events and news
- Designed, sourced, and sold faculty merchandise
- Planned special events including workshops, industry talks, and networking events

May 2016 – Apr. 2017

Kingston, ON

Recent Projects

Brand Consulting

- Writing content for a European consumer product marketing agency that features independent distilleries
- Hired by a local blog to create a new logo and help update their web design and copy

Jun. 2020 – Present

Song Analysis

- A web app that integrates with Spotify to display additional info about the song you're currently playing
- Tools: React, Spotify API, SCSS

Oct. 2019 – May 2020

Expense Tracker

- A web app that allows users to add, update, and visualize their expenses
- Tools: React, Redux, Firebase

Oct. 2019 – Jan. 2020
